

You can also use this form to apply for a withdrawal towards the purchase of a house as a previous home owner if your situation meets the criteria for that benefit.

Page 1 of 5

### **Eligibility**

To be eligible, you need to have been a member of the Police Superannuation Scheme (PSS) for at least 3 years. If you've been a member of PSS for less than 3 years, you may still qualify if you have been a member of a KiwiSaver scheme or a complying superannuation fund¹ for at least 3 years.

Funds must be used towards the purchase of a first home in New Zealand. They may be used to pay all or part of the deposit and/or for final settlement. You must intend to live in the home you are buying as your principal place of residence.

You must not have owned property before (except in limited circumstances – see 'Previous home owners' below). This includes bare land or a dwelling house on Māori land. You may apply for a withdrawal to buy a dwelling house on Māori land provided you include with your application evidence of your right to occupy the land, such as a licence to occupy or occupation order.

These eligibility criteria mirror the rules for the first-home withdrawal benefit available under the KiwiSaver Act 2006. They may change in future if these rules change.

#### Previous home owners

You may make a withdrawal to purchase a home as a previous home owner if your financial position in terms of assets and liabilities is what would be expected of a person who has never owned a home. The application process is the same as for a first-home withdrawal with the following additional step.

You need to apply to Kāinga Ora (formerly Housing New Zealand) to determine whether you are eligible under this category. Currently, the criteria are that you do not have realisable assets worth more than 20% of the house price cap for existing properties for the area you are buying in. For example, if you were buying a house in a \$575,000 cap area, your realisable assets cannot be worth more than \$115,000. PSS or KiwiSaver funds are not considered realisable assets. See the website for details about realisable assets and house price caps.

If Kāinga Ora declines your application, it may still be worth applying for a previous home owner's withdrawal. The trustees have some discretion if your application falls marginally outside Kāinga Ora's criteria. In this case, contact Mercer, the scheme's administration manager, with details of Kāinga Ora's decision. Mercer will put your case forward to a subcommittee of directors and will notify you of its decision. Please do not commit to any purchase without confirmation from Kāinga Ora or the trustee that you are eligible to make a withdrawal as a previous home owner.

#### KiwiSaver members

If you are a member of KiwiSaver as well as PSS, you may be able to access funds from both schemes. You would need to make separate applications to each scheme. Your solicitor would then pool the funds for settlement.

### Limits on withdrawal amounts

You will be able to access your savings in both your employer's and member's accounts less any processing fee and minimum to be retained under KiwiSaver rules (currently \$1,000). However, if you have a charge registered against your account, the funds available may also be reduced (see 'Registered charges' below)

Funds will be withdrawn from your member's account first with any remaining amount coming from your employer's account.

## Registered charges

If you have a charge registered against your account to the Police and Families Credit Union or another lender, the funds available may be reduced by an amount determined by the lender. A *Discharge of registered charge form* will need to be completed and returned. This process can take up to 5 working days so it should be factored in to your timeframe.

#### Fee

An administration fee will be charged to your accounts if we consent to the application. This fee is listed on the website and is subject to change.

#### Other benefits while in service

Applying for a first-home withdrawal doesn't affect your eligibility for a partial withdrawal, in-service benefit or hardship benefit. You can read about these benefits on our website.

1A complying superannuation fund is an employer-based scheme that can offer some KiwiSaver benefits because it complies with KiwiSaver rules.

## Financial advice from Mercer

Sometimes it helps to talk to an expert when making decisions about your super. PSS has engaged Mercer to provide a financial advice service to members. You can receive advice about anything to do with your savings in the scheme. There is no individual charge to you for this service. To arrange a time to talk, sign in to your account online and complete a call-back request form.

### Applying for a first-home withdrawal

When the sale and purchase agreement has been signed, you need to complete this form and send it with accompanying documentation to Mercer (N.Z.) Limited (Mercer) as the administration manager of PSS. The documentation required includes:

- completed First-home withdrawal form, including statutory declaration
- a letter from your solicitor or conveyancing practitioner confirming the conditional/unconditional status of the offer (see page 5)
- a deposit slip for your solicitor's or conveyancing practitioner's trust account
- a copy of the sale and purchase agreement for the property you are purchasing (this should clearly show you as the purchaser)
- evidence of membership of a KiwiSaver scheme or a complying superannuation fund (if you have been a member of PSS for less than 3 years)
- a letter from Kāinga Ora if you are applying for a previous home owner's withdrawal (must be dated within 3 months of this application).

Mercer needs to receive the documents at least 10 working days before the terms of settlement under the sale and purchase agreement.

Mercer will process the application with a view to making payment before settlement. Payments will be made to the trust account of your solicitor or conveyancing practitioner, not to your own bank account.

If the sale does not proceed, the payment made to your solicitor or conveyancing practitioner must be returned to Mercer. Mercer will credit the funds back to your accounts.
